1. On behalf of the NIS Committee and the Office of Basic Intelligence I wish to express appreciation for the outstanding services performed by the Cartography Division for the NIS Program during Fiscal Year 1957.

2. Your staff completed 31 NIS base maps which were two in excess of scheduled commitments for the year. They also compiled and constructed 155 final NIS intelligence maps and charts for the Departments of State and Interior and various agency components engaged in the NIS Program.
